

Summer School of Intellectual Property

Faculty of Law and Administration at the University of Gdańsk together with the **Intellectual Property Law Centre** invite students and young professionals to participate in “Gdańsk Intellectual Property Law Summer School 2018”. The one-week programme, which will take place in July 2018, includes lectures, workshops, discussions as well as case studies concerning the selected IP topics and is conducted in English.

“Gdańsk Intellectual Property Law Summer School 2018” provides an opportunity to acquire knowledge about the intellectual property law from the experienced experts, professors of the Faculty of Law and Administration at the University of Gdańsk, as well as foreign, internationally renowned professors collaborating with the Faculty, inter alia from Chicago – Kent College of Law and Queen Mary University of London.

Why participate in “Gdańsk Intellectual Property Law Summer School 2018”?

Gdańsk is a world known economic, social and cultural centre. Its rich, over 1000 year history will encourage you to discover its secrets. Gdańsk was the place where events changing the image of Europe and the world took place. Gdańsk is the place, where people who left their mark on the shape of European culture, arts and science lived. Maybe you will follow them... and discover places not known before?
